

## VALERIAN VE BİN GEZEĞEN İMPARATORLUĞU 27 TEMMUZ 2017'DE SİNEMALARDA!

**Vizyon Tarihi:** 27 Temmuz 2017

**Yazan/Yöneten:** Luc Besson

**Oyuncular:** Dane DeHaan, Cara Delavingne, Clive Owen, Rihanna, Ethan Hawke, Herbie Hancock, Kris Wu

Valerian (Dane DeHaan) ve Laureline (Cara Delavingne), tüm evrenin düzenini sağlayan insan gezegeni hükümeti için çalışan özel ajanlardır.

Kumandanlarının (Clive Owen) emri doğrultusunda, Valerian ve Laureline, evrenin her köşesinden binlerce farklı türe ev sahipliği yapan, nefes kesici güzellikteki gökada metropolü Alpha'ya göreve giderler. Alpha'nın 17 milyonluk halkı, evreni iyileştirmek için tüm yeteneklerini, teknolojilerini ve kaynaklarını ortaya koymuşlardır. Fakat ne yazık ki, Alpha'daki herkes aynı amaca hizmet etmiyordur; tam tersine, bir takım görünmeyen güçler korkunç bir tehlikeyi üzerlerine salmak üzere iş başındadır.

Senaryo yazarı ve yönetmen Luc Besson, kült çizgi roman serisi *Valerian ve Lauraline*'i, ikonik bir kaynak olarak alıp; çağdaş ve benzersiz bir bilimkurgu efsanesine dönüştürüyor.
