---	--	--

- b. English dialogue list of the film
 - c. Film poster (A3 higher, .jpg format)
 - d. Trailer (Please check the format details above.)
6. IISFF Committee has all the rights to eliminate the categories without sufficient number, or to combine them with other categories.
 7. There are two types of screening as competitive and uncompetitive in IISFF. Films and to which category they belong in screening are decided by the festival jury and committee.
 8. The length of the film that is applied for IISFF should be minimum 1 minute and maximum 30 minutes. The ones out of this requirement will be eliminated with no question.
 9. The date of the film that is applied for IISFF should be either 2015 or 2016. The ones that belong to 2014 and earlier will be eliminated with no question.
 10. Additional non-commercial screenings of the film that is applied for IISFF during the festival and later for the cultural events, and also to send them to the other national and international festivals as selections are automatically approved by the applicants. The applicants will be informed in these circumstances.
 11. English subtitles should be embedded to the film and the additional link of the video should be attached to the application form.
 12. It is allowed to add the information of 1 or 2 directors of each film to the application form. It is also valid for the ones with more than 2 directors.
 13. Pre-selection jury, main jury or people of the festival team or their first degree relatives cannot apply for the festival.
 14. Jury has the final decision. The applicant has no right of objection.
 15. The applicant is responsible for their copyrights.
 16. This agreement has been drawn up with 16 clauses and cannot be changed.
