MEDFILMFESTIVAL XVII EDITION > ROMA - ISTANBUL: CROSSING THE BRIDGE

MEDFILMFestival's main focus is working to promote cooperation, reciprocal understanding and multicultural dialogue among the countries of the Euro-Mediterranean area, through that extraordinary means of communication which is Cinema in order to reach out beyond the borders, and make possible to appreciate and think of Diversity as a Value.

Within this framework a special relationship with Turkey has been established over the years, and consolidated even further, thanks to the project **ROME - ISTANBUL: CROSSING THE BRIDGE**, a twinning event of cultural and business cooperation between the film industries of Turkey and Italy.

After Istanbul, **ROME - ISTANBUL: CROSSING THE BRIDGE** will continue in Rome during the XVII edition of the MEDFILMFestival in November, with a Special Highlight dedicated to Turkish Cinema including premieres, forums and events that will create an outstanding platform for dialogue and cooperation.
